

Distance Learning Support

and After School Care

Fall 2020 • J-D Schools and Syracuse Hebrew Day School • JCC members only

We are here to support your child’s distance learning program and after school care needs. We offer a safe and welcoming environment for students to attend class virtually and engage in a variety of after school activities when they’re not in the classroom.

We have a proven track record of safely reopening children’s programming. Student groups will be kept small, separated, following a set schedule and paired with the same staff. All CDC and New York State health and safety guidelines will be strictly followed.
