

Fall Enrichment Classes for preschool children

Everyone is welcome! Classes are open to both JCC members and non-members. Pre-registration is required and classes are subject to minimum enrollment. Use the registration form on back.

BRICKS 4 KIDZ

This is a great class for children to practice fine motor skills, pattern recognition and more. Your child will build a different LEGO animal each class while taking a virtual trip to the zoo! We'll build a camel, elephant, giraffe and kangaroo using LEGO Duplo bricks. Each class will start with circle time and a book about the animal that will be built. Following the animal build, there will be some creative LEGO play time and crafts.
