Chair Yoga Fusion

Pilates

Based on the principles of Joseph Pilates, this class' multiple levels of participation uses bands, magic circles, stability balls and BOSUs. Mostly done on a mat, but some standing work is incorporated as well.

Tai Chi for Arthritis

Tai Chi is an ancient practice proven to improve mental and physical well being. Tai Chi for Arthritis uses gentle Sun-style Tai Chi movements to help reduce stress, improve breathing and develop balance, mobility and body awareness. All ability levels are welcome and you don't need to be diagnosed with arthritis to participate.

TaijiFit

TaijiFit is not just an exercise—it's an experience! It's about making fitness more graceful and holistic through great music and great energy by combining the best elements of fitness, meditation and the ancient martial art of Taiji (Tai Chi). TaijiFit is mindfulness in motion.

Yoga

A hybrid style drawing from Vinyasa, Lyengar and Viniyoga that brings physical benefits by integrating body and mind performance. Bring a towel, water and we recommend that you bring your own Yoga mat.
