AFTER SCHOOL PROGRAM

We've got so much for children to do each day after school! The JCC's After School Program offers school-age children in grades K-6 a safe place to go for fun, educational and recreational activities. A variety of sports, enrichment classes, games, clubs, arts and crafts, homework, culture and more are available as well as sledding in winter and swimming in June!

We primarily serve Jamesville-DeWitt, Fayetteville-Manlius and area private schools, including the Syracuse Hebrew Day School. In many cases, the JCC's own bus can even provide transportation to the program.

How does the After School Program work?

- Current JCC of Syracuse family membership is required to attend.
- After arriving at the JCC, children enjoy a healthy snack.
- Children participate in activities and attend optional enrichment classes.
- Pickup: Anytime by 6 p.m. Call when you arrive and your child/children will be brought out to your car.

Enrichment Classes and Class Care

We offer many popular enrichment classes such as sports, dance and gymnastics during After School Program hours. If your child is enrolled in a class, a class care fee will be added to the class fee. On class days, your child will be supervised before class with other After School Program children and can be picked up after class.

Fall, winter and spring class sessions each run about 12 weeks. Class schedules come out shortly before each session starts and are available at the JCC, on the JCC website and in our printed newsletters. Discount for JCC members.

For more information, please contact Sherri Lamana at 315-445-2040, ext. 126, or slamanna@jccsyr.org.

Transportation

J-D Schools transports students directly to the JCC. This must be coordinated with the specific school by the parent. The JCC's own bus can transport students from F-M district elementary schools and Minoa Elementary, at no extra cost *if we reach a minimum enrollment*. Please contact us for scheduling. The JCC bus is only reserved for children enrolled in JCC programs.

Billing, changes and withdrawals

Billing is monthly. To ensure proper staffing, all enrollment changes/withdrawals must be submitted in writing by the 15th of the month (or next business day) prior to the month when the change will occur. If written notice is not received, you are responsible for the original billed amount. There are no partial month fees regardless of attendance or illness.

Lead poisoning is a potential health hazard to children. Because this is such a serious problem, the State of New York now recommends that ALL children under the age of six years old be screened for lead poisoning. Like all other regulated child care providers in New York State, the JCC of Syracuse is required by law to request that your child be screened for lead poisoning. If your child has been screened, the JCC needs to have verification on file. If not, please review the lead poisoning information in the next paragraph and plan to have a screening done as soon as possible.

Further information regarding lead poisoning is available through your healthcare provider or the Onondaga County Department of Health Lead Poison Control Center at 315-435-3271. Remember, our goal is to keep your child healthy! This law is NOT intended to keep your child out of day care, but to take that extra step toward ensuring good health!

I have read this information regarding lead poisoning.
