

SHDS Nostalgia Night

with Hughie & Avery Stone-Fish

It's time for a trip down memory lane!

Join us on Thursday, October 12th as we welcome Emmy award-winning songwriter, Hughie Stone-Fish '01 and his brother Avery '06.

Hughie and Avery will be coming back to Syracuse from Los Angeles to premier a video that they created with Day Schoolers last fall, we invite you to share in the experience.

In addition to Hughie's musical presentation, we will have a display of yearbooks, photos, and memorabilia that will take you back to the good old days!

Light refreshments will be served in the Day School Library following the presentation in the JCC Auditorium.
